## **EVERY PASTOR** *needs a team*

The Amazing Parish exists to revitalize the Church by equipping her pastors and leaders with the training, resources and support they need to create vibrant and thriving parishes.

A parish can only be truly amazing when it is both healthy and holy. The same is true for our priests. We believe that our priests can build and lead a thriving parish, and we're here to help them make that happen.

The Amazing Parish partners alongside parish priests and their parish leadership teams to develop a clear vision for their parish and a practical plan to implement it. This transformational step in the life of a parish begins with our conference experience.

# CONFERENCE *experience*

Our workshop style conference is uniquely designed for a pastor and his parish leadership team to work side-by-side to establish the foundation of an Amazing Parish, which is rooted in a culture of prayer, teamwork and discipleship.

## PRAYER

Build a culture of prayer with time for daily Mass, Eucharistic Adoration, worship, Reconciliation and intercessory prayer

## TEAMWORK

Build a culture of teamwork through interactive workshops to establish trust, healthy conflict, commitment, accountability and collective results on your team

## DISCIPLESHIP

Build a culture of discipleship by actively engaging and investing in the faith lives of your team members through discussions and exercises

# CONFERENCE *presenters*

Led by organizational health *New York Times* best-selling author, Patrick Lencioni, and dynamic and engaging Catholic speakers and leaders from around the country, you and your leadership team will leave the Amazing Parish Conference renewed and engaged.

# THE CONFERENCE IS JUST *the beginning*

The conference will lay groundwork for your team, but when you head back to your parish, you won't be alone! We have a dedicated team of parish support coaches committed to helping parishes thrive. Our support team is here for you, every step of the way, as you implement these concepts to transform your parish. The only cost to our ongoing coaching is your commitment to working hard, thanks to mission partners and benefactors who share our vision that every parish can be amazing.

**"PARISH SUPPORT HAS GIVEN THE TEAM A SENSE OF MOMENTUM IN GETTING THINGS DONE."**

"One of the principles I learned through the Amazing Parish Conference is that *when the parish is strong* the mission of Christ is accomplished."

- Fr. Jamie Ziminski  
Pastor, All Saints Parish

"We'll take away the things that we learned in *spiritual vulnerability and trust*. For us, that really broke down some barriers and allowed a lot of our newer members to come together and strengthened our leadership team very quickly.

- Angela Bravata  
PLT Member, St. John Vianney

"I just want to thank you for all that you have helped us undertake as a parish staff. Your guidance has been beyond helpful and formative in the Amazing Parish model. *I can see the fruits of it* among the leadership team members but also the parish already."

- Fr. Marco Rangel  
Pastor, Immaculate Conception
